Church Family,

In chapters 1-3 of Ephesians, Paul is writing to teach the church of God's eternal plan to unite all things together in Christ. Chapter 4 begins the next section of the book where Paul shifts his focus to how the church can be a part of that plan by being One in Christ - in the world and the church. The truth is we will never fully arrive and this is God's design. We must constantly and consistently be growing in Christ. In fact, the beauty of the body of Christ is found in continually growing to be like Christ. A Family of Faith on Mission Together is one that is always growing in unity, diversity, and maturity. I praise God for the evidences of his work in our growth as a church!

As you prepare for worship, please take some time to read and pray though Ephesians 4:17-32.
