

Text: Colossians 1:9-14

Prayer Prompts:

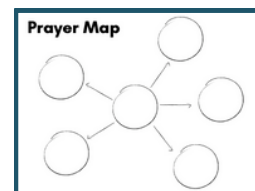

- God, help FBCRM to be filled with the knowledge of your will in all spiritual wisdom and understanding (vs. 9).
- I pray that FBCRM would walk in a manner worthy of the Lord in a way that is fully pleasing to the Lord, bearing fruit in every good work, and increasing in the knowledge of God (vs. 10).
- Strengthen FBCRM with all of your power because of your might, for all our endurance, in all patience, with joy (vs. 11).
- Thank you, Father, that you have qualified FBCRM to share in the inheritance that you have given to us in Jesus (vs. 12) .
- Praise you, Father, that you have delivered FBCRM from darkness and transferred us to your kingdom of light (vs. 13).
- Thank you, God, that FBCRM has been redeemed and forgiven from our sins (vs. 14).

1. Church Prayer

Our hope in the coming weeks is to fill this box with the names or initials of your family and friends who you are praying to come to know the Lord so that we might join you in prayer for their salvation! In the meantime, please think about your own family and friend group and pray for someone you know that needs to know our Savior!

2. Salvation

Santana Smith: Santana was walking on Franklin Street, Thursday, near our church and a car clipped her and knocked her down. She went to the hospital with a broken arm and a bad sprain on her leg. She is at home now with medication to deal with the pain and her arm is in a cast. Please pray for her to get plenty of rest and healing. Pray for a quick recovery.

Morris Wynn: Morris is getting weaker. Pray for him at this time for ease of pain. Pray for Anita and the rest of the family that can feel a peace that only God can give.

Thomas (Larry Hoskins brother): Thomas has a spot on his lung. They are testing to see if it is cancer. Please pray that they will figure out what it is and be able to put together a plan to treat it one way or the other.

Nan Kutulus (Duane Tolan's cousin): Nan needs knee surgery badly. She can no longer drive. She has infection/medical issues that are preventing this surgery. Pray that the doctors are able to find a way to help her.

Virginia Perry (Jerry Lancaster's sister): Virginia has been at Nash because of problems with her kidneys and lungs. They think she has lung cancer and plan to do an MRI soon. Virginia is Jerry's last living family member.
